CATHARTIC PILLS

OPERATE by their pewerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, lowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements us are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their ertificates are published in my American Almanae, Their certificates are published in my American Almanae, which the Agents below named are pleased to furnish

For Costiviness. — Take one or two pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Pilles, and the cure of one contribute is the cure of both. No person can feel well while under a costive habit of body. Hence it March 27.25-ly.

For Dyspersia, which is sometimes the cause of Cocceress, and always uncomfortable, take mild doses -- from one to four -- to stimulate the stomach and aver into healthy action. They will do it, and the worthern, bodyl orn, and southern of dyspepsia will rapidly disappear. When it is gone, don't forget what cured

For Newvousness, Sick Headache, Nausea, Pain in the Stomuch, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCHOPULA, ERYSTPELAS, and all diseases of the Skin, take the Pills freely and Iroquently, to keep the bewels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases, which seemed to some return the whole system, have completely yielded to their influence, leaving the sufferer in perfect health. I effects! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleanship.

To Purify the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of inentable diseases will be swept out of the system like chaff pofere the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where. they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affec-

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement — either torpidity,
congestion, or obstructions of the Liver. Torpidity
and congestion vitiate the bile, and render it unfit for
direction. This is disastrous to the health, and the constitution is frequently undermixed by no other cause,
ludgestion is the symptom. Obstruction of the duct
which cuspties the bile late the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or, alternately, costiveness and diarrhoa, prevails. Feverish symptoms, languor, low spirits, weariness, resilessness, and unclameholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe p in in the side; the skin and the white of the eyes be-come a greenish yellow; the stomach acid; the bowels sure to the touch; the whole system irritable, with a tensere to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colie, blious diarrhem, dysentery, &c. A medium dose of three er four pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHECMATISM, GOUT, and all Inflammatory Fevers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

Rahway's Regulators

We here direct the attention of the public to own newly discovered remedy—Rid Way's REGULATOR's—
thay passess the great cut time properties of a Purgative
eathartic, aperient, succritic, anti-dyseptic, corr ctor
and Regulator of the system.—They are in fact the nly
perfect purgative or catherite remedy that has ever been
discovered or given to the world.

Radway's Regulators will answer a hetter purpose
than chalonel or Mercury, without entailing on the system the terrible lujuries of these hanclul frugs.

They are in the holm of Pills, elegantly coated with
gum, perfectly tasteless, and can be taken without sickening or nauseating the patient. They are to be used in
all cases when the system is out of order, or uniter the
influence of disease. One or two no-es of Kalway's
Regulators has frequently checked the progress of the
must terrible diseases, and restored the system to health
and regularity.

They establish new and improved principles in Medicine, and secure the great end important power of regulating to a healthy, natural and harmonious action,
each and every organ in the body. This great controlling power has never formed any part of the properties of
the popular Cathartic, Vegetable or Indian Purgative
Pills, that have ever heen in use.
